## COUNTY GOVERNMENT OF HOMABAY

### OFFICE OF THE COUNTY EXECUTIVE FOR ENERGY AND NATURAL RESOURCES

HOMA BAY COUNTY

Our Ref: HBCG/CEC/ENR/6/16

Date: 12/07/2016

General Manager,  
DREAM EP Global Energy Kenya Ltd  
P. O. Box 856 – 00606  
NAIROBI – KENYA

Dear Sir,

**Re: Letter of Support**

The County Government of Homa Bay is excited about your proposal to generate, distribute and supply off-grid electricity to the people of Remba Island on Lake Victoria within Homa Bay County. Remba Island is one of the few far flung areas of the County which cannot be supplied with electricity from the National grid. The project will greatly benefit the fishing community on the Island by making alternative clean energy available for household and economic use. The Government of Homa Bay County is therefore happy to state that it has no objection and will give all the support you require to make it successful.

We look forward to working very closely with you towards expedited implementation of the project.

Yours faithfully,

**HON. PHARESH RATEGO,  
COUNTY EXECUTIVE MEMBER FOR ENERGY AND NATURAL RESOURCES  
HOMA BAY COUNTY GOVERNMENT**
