MR. REVENUE COLLECTION REPORT FOR SEPTEMBER 2023

Find the attached revenue report for the month of August 2023 during which KShs. 88,445,779.70 (Eighty Eight Million, 244 Thousand and Forty Five Thousand, Seven Hundred and Seventy Nine) was collected. KShs. 74,573,007 of the total collection was realized from health facilities while KShs. 13,872,772 were collections from other revenue streams.

During the said period, the Departments of Trade, Social Services, and COMMERCE received KShs. 146,000 and KShs. 8,888,000 respectively (figures attached).

Attached also is a review report of revenues generated from equity funds in the various counties for the financial year as it has been directed by the Executive the Governor during the previous revenue round table meeting.
